Keep a copy of this form for your records. Mail original to A-Team For Wildlife, including monies in an appropriately secure envelope. Note that it is highly recommended that change and cash donations collected be turned into a personal check or money order in order to send to A-Team by mail. Note the amount of that conversion under "Breakdown", as "Cash converted to check".

Membership fees of \$20 each, must be kept separate from donations and submitted to headquarters along with the completed Youth Membership Application. Do not include Membership Fee amounts in the donation figures recorded on this form.

Thank you for your contribution to helping children save endangered species.
